Re: March 2015 Financial Statements

Attached is the Statement of Cash Position as of March 31, 2015 for all City funds and a Budget v Actual Report for through 3/15. We are waiting for the auditor's adjusting journal entries for FY2014 along with reversing entries that are to be posted to the first period in 2015, therefore the YTD balances are subject to change.

The Statement of Cash Position reports the City fund and the bank accounts within each fund. All the accounts held at the Coatesville Savings Bank are normal type checking accounts (NOW checking or Business checking) and the amounts shown are reconciled balances. The accounts with Susquehanna and TD Ameritrade are investment accounts and reported at market value.

GENERAL FUND A total of \$397,457.72 was received in the General Fund in March and \$1,472,762.48 year to date or 16.89% of the 2015 budget. The comparable YTD percentage in 2014 was 34.74% of budget. Half of the March receipts were from the Earned Income Tax. The EIT is received throughout the year. The majority of real estate tax revenue is expected to be received in May and June, later than normal due to the real estate tax bills going out two months late. Another revenue of note in March was Fees for Engineer Review.

A total of \$591,452.57 was expended in March and \$2,121,417.64 year to date or 21.97% of the 2015 budget. This same percentage through March, 2014 was 24.39% of the 2014 budget. The benchmark for Period 3 is 25.00%. All departments are under the benchmark with the exception of 430 – Public Works, 454 – Parks, 459 – Community Center, and 486 – Insurance. Expenditures are incurred early in the year in insurance as the property and liability insurance premiums are paid on a calendar year basis and we are required to pay the premiums up front.

SOLID WASTE FUND A total of \$26,990.48 was received in the Solid Waste Fund in March and \$97,940.73 year to date or 9.41% of the 2015 budget. A total of \$65,979.60 was expended in March and \$196,232.77 year to date or 18.13% of the 2015 budget.

An interfund loan of \$200,000.00 was made from the General fund to the Solid Waste fund in March which is to be repaid after the City receives sufficient receipts from the 2015 solid waste billing.

DEBT SERVICE FUND No significant activity to report for this period.

CAPITAL RESERVE FUND A total of \$1.29 was received in March and \$13,179.22 year to date or 1.00% of the 2015 budget. A total of \$2,624.56 was expended in March and \$42,234.77 year to date or 3.21% of the 2015 budget.

LIQUID FUELS FUND A total of \$11.07 was received in the Liquid Fuels Fund in March and \$38.39 year to date or .02% of budget. The carryover fund balance in the Liquid Fuels Fund was planned to carry the financial burden on this fund until the state aid is received later in the year. The state liquid fuels tax is received in April.

A total of \$31,875.48 was expended in March and \$79,546.58 year to date or 29.29% of the budget. Fifty-five (55%) percent of the Liquid Fuels expenditures made in January through March were for salt used for snow and ice control.
