Re: June 2016 Financial Statements

Attached is the Statement of Cash Position as of June 30, 2016 for all City funds and a Budget v Actual Report for the period 6/16. The report includes all of the budgeted funds: General, Solid Waste, Debt Service, Capital Reserve, and Liquid Fuels.

The Statement of Cash Position reports the City fund and the bank accounts within each fund. All the accounts held at the Coatesville Savings Bank are normal type checking accounts (NOW checking or Business checking) and the amounts shown are reconciled balances. A new General Fund bank account was opened on 5/3/2016 and the balance is reported herein. The old General Fund bank account is still being maintained to allow for the clearance of outstanding checks written on that account. The GF account ending in 3001 is the old account and the GF account ending in 4257 is the new account. Also, the Coatesville Grand Prix account was opened on 5/23/2016 at the Coatesville Savings Bank. The accounts with BB&T and TD Ameritrade are investment accounts and reported at market value.

GENERAL FUND A total of \$460,451.73 was received in the General Fund in June and \$5,664,698.96 year to date or 57.88% of the 2016 budget. The comparable YTD percentage in 2015 was 61.55% of budget.

A total of \$723,113.73 was expended in June and \$4,324,476.70 year to date or 44.22% of the 2016 budget. This same percentage through June, 2015 was 44.72% of the 2015 budget. The benchmark for Period 5 is 50.00%. All departments are under the benchmark with the exception of 402-Finance (due to the 2015 audit being completed and billed for earlier than in previous years), 409-Building & Plant (due to higher than anticipated building repairs, notably toilet replacements in the jail cells), 413-Code Enforcement (due to higher than anticipated contracted services), 454-Parks (due to higher than anticipated water usage), and 486-Insurance (which, as usual, has premiums due early in the fiscal year).

SOLID WASTE FUND A total of \$69,814.93 was received in the Solid Waste Fund in June and \$913,019.08 year to date or 95.69% of the 2016 budget. The comparable YTD percentage in 2015 was 15.05% of budget. The 2016 Solid Waste bills went out in March of 2016 as compared to July of 2015.

A total of \$69,149.89 was expended in June and \$422,223.11 year to date or 46.70% of the 2016 budget. This same percentage through June, 2015 was 53.69% of the 2015 budget.

DEBT SERVICE FUND No significant activity to report for this period.

CAPITAL RESERVE FUND A total of \$34,779.37 was received in June and \$106,768.17 year to date or 3.82% of the 2016 budget. The receipts were from budgeted transfers from the General Fund. The comparable YTD percentage in 2015 was 12.40% of budget.

A total of \$157,116.58 was expended in June and \$338,162.62 year to date or 12.10% of the 2016 budget. This same percentage through June, 2015 was 13.91% of the 2015 budget.

LIQUID FUELS FUND A total of \$17.69 was received in the Liquid Fuels Fund in June and \$305,155.53 year to date or 102.63% of 2016 budget. The annual state liquid fuels tax shared revenue in the amount of \$305,043.57 was received in March, which is 102.59% of the overall budgeted for this fund. The only revenue remaining to be received in 2016 is a small amount of interest income.

A total of \$19,104.66 was expended in June and \$275,403.44 year to date or 83.46% of the budget. This same percentage through June, 2015 was 55.67% of the 2015 budget. The overage in the Liquid Fuels Fund is for Winter Maintenance – Contracted Services for services contracted for Winter Storm Jonas in January. In addition, the first annual lease payment was made in May, per budget, for the new street sweeper. It is a five year lease with annual payments of \$56,852.00.
