Fathers Involved Shedding Hope

On behalf of FISH, children under the age of 18 are invited to participate in our 1st Annual Fishing Rodeo, on Saturday and Sunday, April 23 and 24, 2016.

Fathers Involved Shedding Hope was founded by David Terry in 2015. This non-profit organization was created to provide an opportunity for the children that reside in the City of Coatesville to experience the joys of fishing with proper guidance and mentoring. This Event will provide a fun and safe environment along the downtown West Brandywine Creek (Coatesville). A group of fathers from Coatesville are volunteering to provide this amazing opportunity to children.

FISH is in need of sponsors to help defray the many costs affiliated with the event. Our goal is to be able to continue to hold this fishing rodeo on an annual basis.

We appreciate your financial support and ongoing commitment to this organization. Thank you in advance for your ongoing and continued support.
