

A Coatesville Winter Wonderland Featuring The return of Santa's House

How many of you remember visiting Santa's house when you were little? Do you remember the joy you felt when your turn came to tell Santa all of your Christmas wishes? Well, Coatesville's Parks and Recreation Commission is very excited to announce the return of Santa's house back to Coatesville!!!

We need your help! Bringing a house back from the North Pole is no easy task. **Everyone** in our community can play a major role in getting this done. Can you paint? Hang lights? Are you creative? Do you have theatrical skills that you are dying to show off as Santa's helpers and Santa himself? Then we are looking for you!!

We are bursting with delight and looking forward to a great turn out. If you would like to donate materials or your time, please contact us at (610-384-0300 ext. 3250) You can download a FREE QR reader in the Google playstore and link to complete a volunteer/donation form.
