

NEW OPERATIONS POLICY UPDATE!

Dear City of Coatesville, residents, friends, and community stakeholders:

The City of Coatesville administration and public safety agencies are taking every precaution to manage the growing concerns related to the COVID-19 virus and how to protect you and our staff from any potential **Community Spread**. All City Parks have been listed as non-gathering areas to prevent community spread and additional cases.

City Hall will be closed for walk-in traffic and window transactions until further notice. There will be no committee meetings or large gatherings at this time. In addition, scheduling for future City Council meetings will be reviewed and monitored day-by-day. For additional information please review the City of Coatesville information Press Release on the websites home page. www.coatesville.org

It is important that we follow the recommendations set in motion by Governor Wolf's administration, the State and County Health Department for social distancing and cleaning. Equally important, we should all try to remain calm and supportive during this time.

The following services will be conducted by phone or electronically:

Emergency Services – Dial 911

Codes Department – 610-384-0300

Inspections and Appointments: Stacia James – sjames@Coatesville.org

King Lovett – Klovett@Coatesville.org

*All forms are online- www.Coatesville.org

Finance Department – 610-384-0300
