BASIC RESIDENTIAL GUIDELINES

- Trash, Recycling, and one bulk item must be curbed side by 6:00 AM on your scheduled collection day, which will be remaining the same.
- Trash must be placed in the mobile cart provided and in up to 3 - 32 gallon bags if needed.
- Bulk items that are too heavy to be lifted by two people will not be collected.
- No more than one (1) bulk item will be collected per residence each week.
- Call the City of Coatesville at 610-384-0300 to schedule collection of appliances containing freon (air conditioners, refrigerators, freezers, etc.).
- No construction debris will be collected curbed side.

Bulk Item Guidelines

City of Coatesville residents may dispose of one (1) bulk item per week through curb side collection. Please have your waste, recycling, and bulk item available for collection at the curb by 6:00 am on your regular collection day.

ACCEPTED MATERIALS – Furniture, mattresses, box springs, lawn mowers (oil and gasoline removed), plumbing fixtures such as toilets and sinks, three (3) 4 ft. rolls of carpet (tied).

NON-ACCEPTABLE MATERIALS – Appliances, chemicals, stains, liquids, batteries, automobile parts, hazardous waste, tires, commercial/industrial waste, construction materials (drywall, brick, block, lumber, shingles, tiles, concrete).

ADDITIONAL INSTRUCTIONS – Items which are too heavy to be lifted into a truck by two people will not be accepted. Additional trash bags are NOT considered a bulk item.

Appliances with Freon will be collected by appointment only. Please call the City of Coatesville at 610-384-0300 to schedule collection. (Items include but are not limited to air conditioners, refrigerators, freezers, etc.)

Tips on Proper Mobile Cart Placement

Please be advised that all mobile carts should be placed **BEHIND THE CURB** and not on the street. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out by your start time.
- Place mobile cart with the lid opening towards the road.
- Do not place cart in the roadway.
- DO NOT block walkways with carts.
- Place carts at least **THREE FEET APART** from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.
